

JAVA HOUSE

Africa's favourite coffee house since 1999

A Ray of Sunshine

Mother Sun is the giver of life
You could say she first shone on Africa

She's what makes the coffee trees grow
She's the warmth at the Java House heart

You can see it in everyones' smile
And you can taste it in every sip of our coffee

- ▣ Our coffee beans are hand-roasted fresh daily and are available to take home in 250g, 375g or 500g packets. Buy any two packets of coffee and get a free cup of Java House coffee!

Barista Corner

All coffee drinks are available in DECAF • Soy or skim milk available upon request
