## A Ray of Sunshine

Mother Sun is the giver of life  
You could say she first shone on Africa  
She's what makes the coffee trees  
grow she's the warmth at the Java  
House heart. You can see it in  
everyones' smile and you can taste it  
in every sip of our coffee since 1999.

# Menus

Our coffee beans are hand-roasted fresh daily and are available to take home in 250g, 375g or 500g packets. Buy any two packets of coffee and get a free cup of Java House coffee!
