A Ray of Sunshine

Mother Sun is the giver of life. You could say she first shone on Africa. She’s what makes the coffee trees grow. She’s the warmth at the heart of Java House. You can see it in everyone’s smile and you can taste it in every sip of our coffee since 1999.

Our coffee beans are hand-roasted fresh daily and are available to take home in 250g, 375g or 500g packets. Buy any two packets of coffee and get a free cup of Java House coffee!
